Zehnder Mirror radiators

The Mirror series of the Zehnder radiators combine elegant style and functionality to an exceptional degree and promote the establishment of a comfortable and cozy atmosphere in the home. They have been especially developed for hallways, vestibules, and entry areas for the purpose of creating a bridge between the entry and the main living areas.

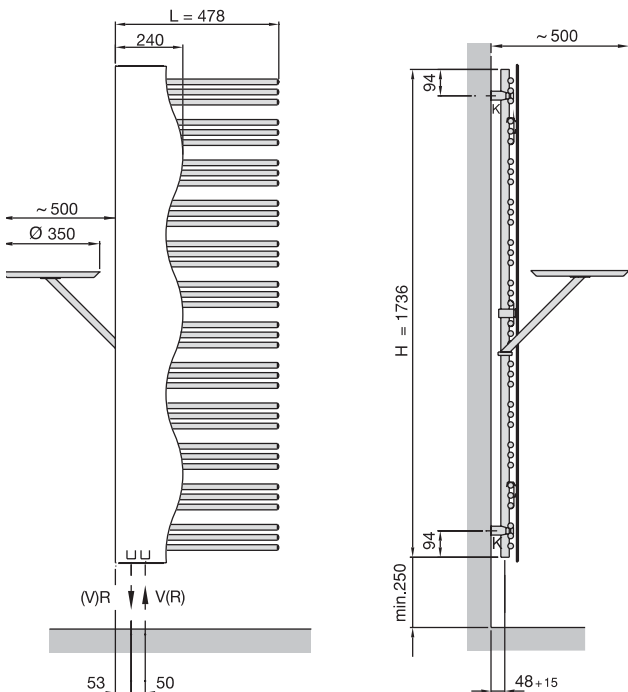

Zehnder Yucca Mirror

You will feel happy as soon as you open the front door to your home. The Zehnder Yucca Mirror exudes a feeling of ease and comfort. The radiator is constructed of twelve groups of three horizontal tubes each, branching out to the right and to the left sides of the manifolds.

Additionally, these radiators will blend in perfectly in a bedroom or bathroom.

Mirror series radiators may be water-filled or electric. It is available in a large selection of colours. The radiators are supplied ready for installation, complete with mounting brackets of matching colour.

The manifolds are hidden behind a modern shape mirror. A small, round, beechwood shelf can be mounted at any height. A chrome plated halogen light fixture and various accessories may be ordered to further improve the convenience of using the radiator.

Material: Steel
 Operating pressure: up to 12 bar
 Connection: From below, G 1/2"
 Coating: Enamel
 (colour selection shown in Zehnder catalogue) Chrome plated

Models for closed heating systems:

Model	Overall height (mm)	Overall length (mm)	Heat capacity (W)	
			$\Delta T=50K$	$\Delta T=60K$
YAM 50-170	1736	478	587	738

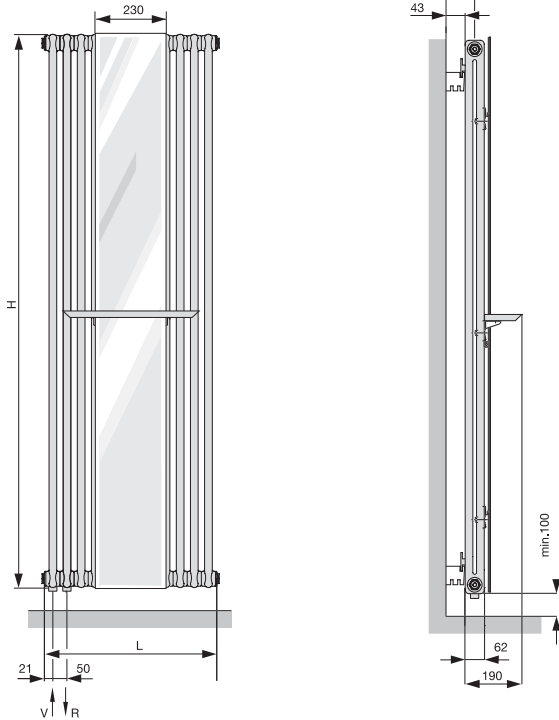

Electric models:

Model	Overall height (mm)	Overall length (mm)	Immersion Electric rating (W)
YAMEL 50-170	1736	478	300
YAMER 50-170	1736	478	300

zehnder charleston mirror

Zehnder Charleston Mirror

Natural beauty for the hallway, and living room. The long, rectangular mirror gives the Charleston Mirror an elegant, classical look and charm. The mirror matches perfectly with the curved beechwood shelf, which can be mounted at any height. The precision steel radiator, containing two rows of vertical tubes provides high heating output.

Material: Steel
